

I ♥ GR PARKS

saturday may 16

9 am to 12 pm

Friends of Grand Rapids Parks is partnering with the City and neighborhood leaders for a spring spruce-up in 16 parks across the city. Spend a morning with your friends and neighbors helping parks get ready for a busy summer. From 9am-12pm volunteers will be painting, raking, cleaning, mulching, weeding and planting. Each park has a local Park Coordinator to direct enthusiastic volunteers and a Friends of Grand Rapids Parks Champion recruiting new friends.

By spending a couple of hours volunteering to make difference in a city park, you will also be part of a broader community effort to show how much citizens of Grand Rapids care about their park system.
